

## **Family Dinners at Kenny and Zuke's**

Ken has been serving his now famous Family Dinners for 15 years now. These are now legendary and the following borders on the fanatical. Seating and dining are family-style...hence the name.

This year we'll revisit two of our most popular dinners, and add one we haven't done before.

### **Sunday, January 19th: Roll Up Your Sleeves Crab Feed**

This dinner has become an annual tradition. Just think - newspaper covered tables, bibs tied snugly and ready for flying crab juices, luscious chowder, sourdough, slaw and your own 2 lb. crab to tear into and dip in a variety of tempting sauces. Finished with a fruit crisp and ice cream. Only question is: Are you an eat-as-you-shell person or do you make one big pile of crab to consume at the end.

**Seatings at 5:15 and 7:45**  
**\$45.50 per person**  
**Beer and wine available for purchase**  
**Kids under 12 - \$23.75**

### **Sunday, February 23rd: The Reign of Spain - An Evening of Tapas**

The 15th edition of our most popular dinner. Ken keeps challenging himself to make these better and better, and to keep adding more and more variety. Usually 12-14 or so different dishes arrive at your table. All downed with some terrific Pomegranate Sangria. Don't miss it!

**Seatings at 5:15 and 7:45**  
**\$48.50 per person**  
**\$39.50 without Sangria**  
**Kids under 12 \$21.75**

### **Sunday, March 22nd: Glories of the Middle East**

A survey course of this region full of delectable treats, from assorted Mezze to start, followed by a Tajine and Couscous through to a honey, date and orange flower water laden dessert. This dinner will fill your mouths with happiness.
